2015 ICT Plan

capability to unleash your imagination

*empowering the
creation of world-
class education*

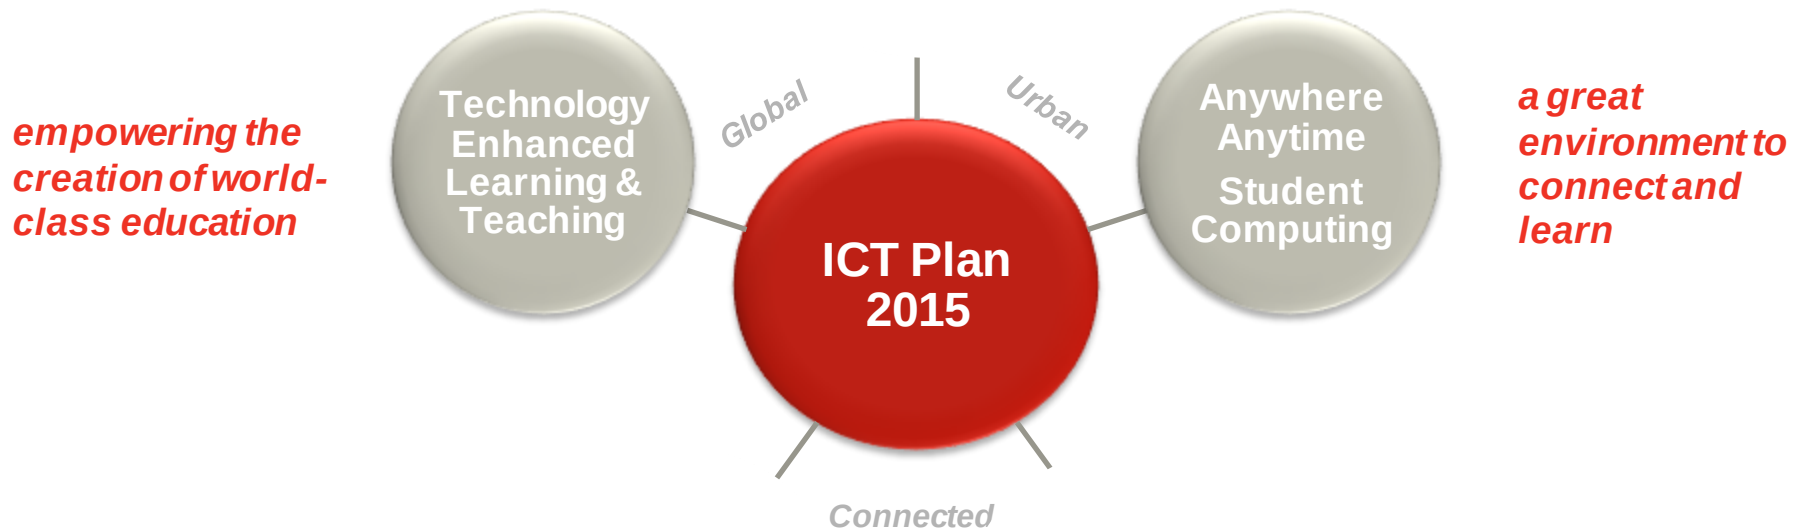

*a great
environment to
connect and
learn*

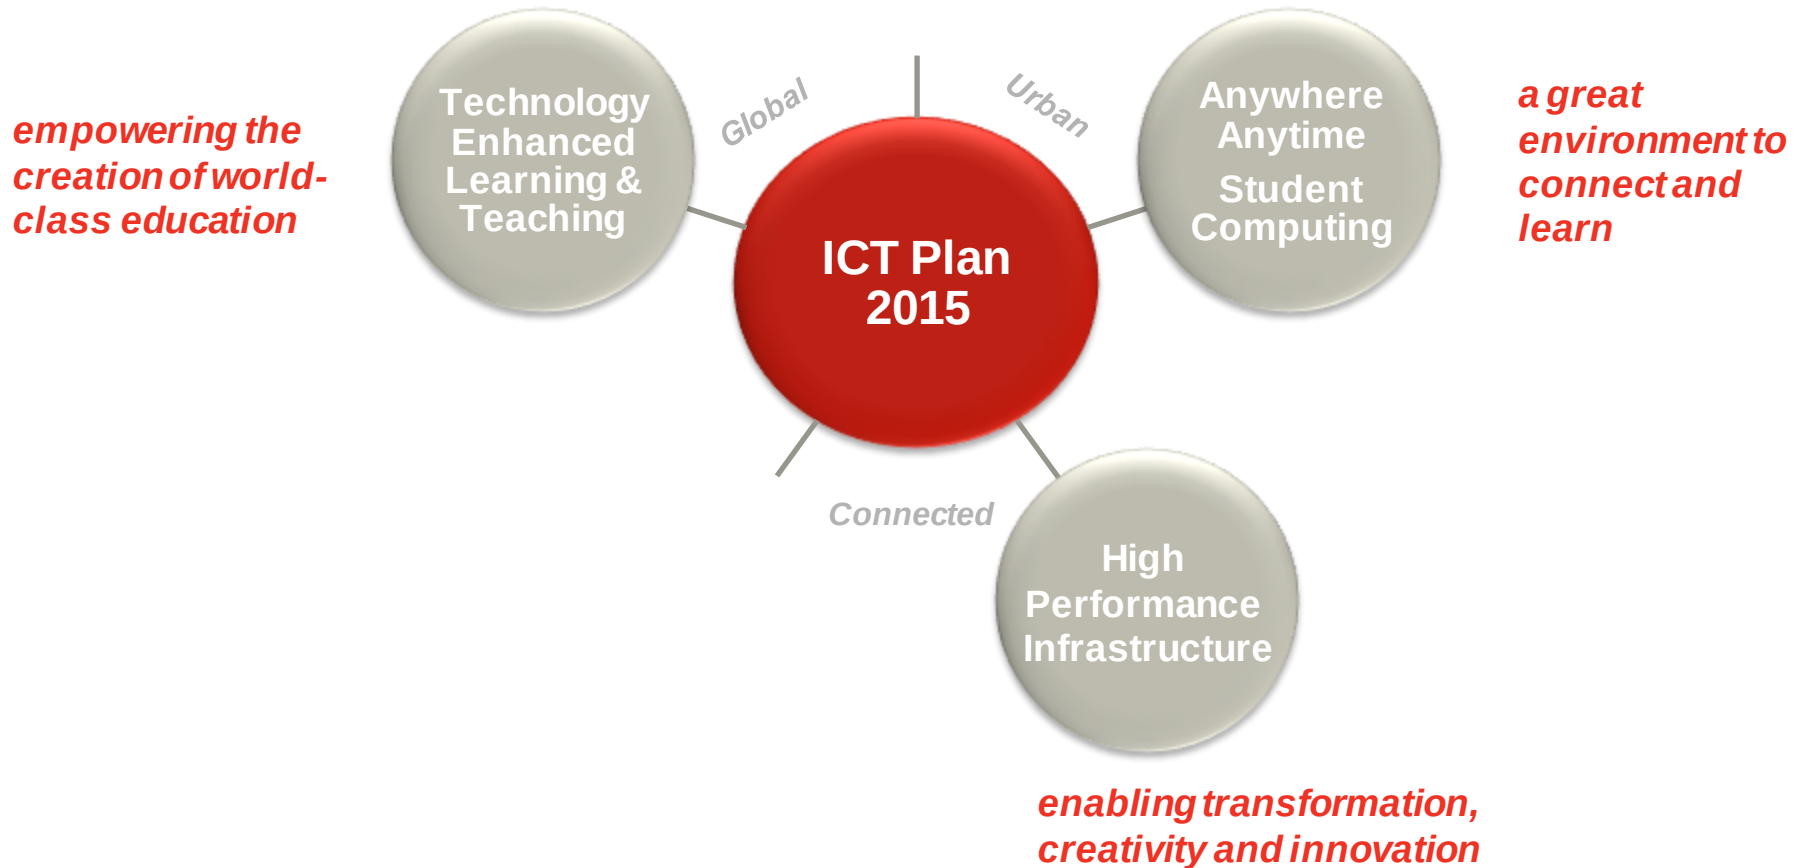

engineering simplicity

*enabling transformation,
creativity and innovation*

2015 ICT Plan

2015 ICT Plan

“No Battle Plan Survives First
Contact With The Enemy.”

-Helmuth von Moltke

New 'Vertical Campus' for College of Business

- 35,000 Sq Metres
- 11 Floors
- 6 Lecture Theatres
- 70 Teaching Spaces
- 10 Student Portals
- 0 Computing Labs

and oh yeah...

*deliver it 6 months
early.*

“To achieve great things, two things are needed; a plan, and not quite enough time.”

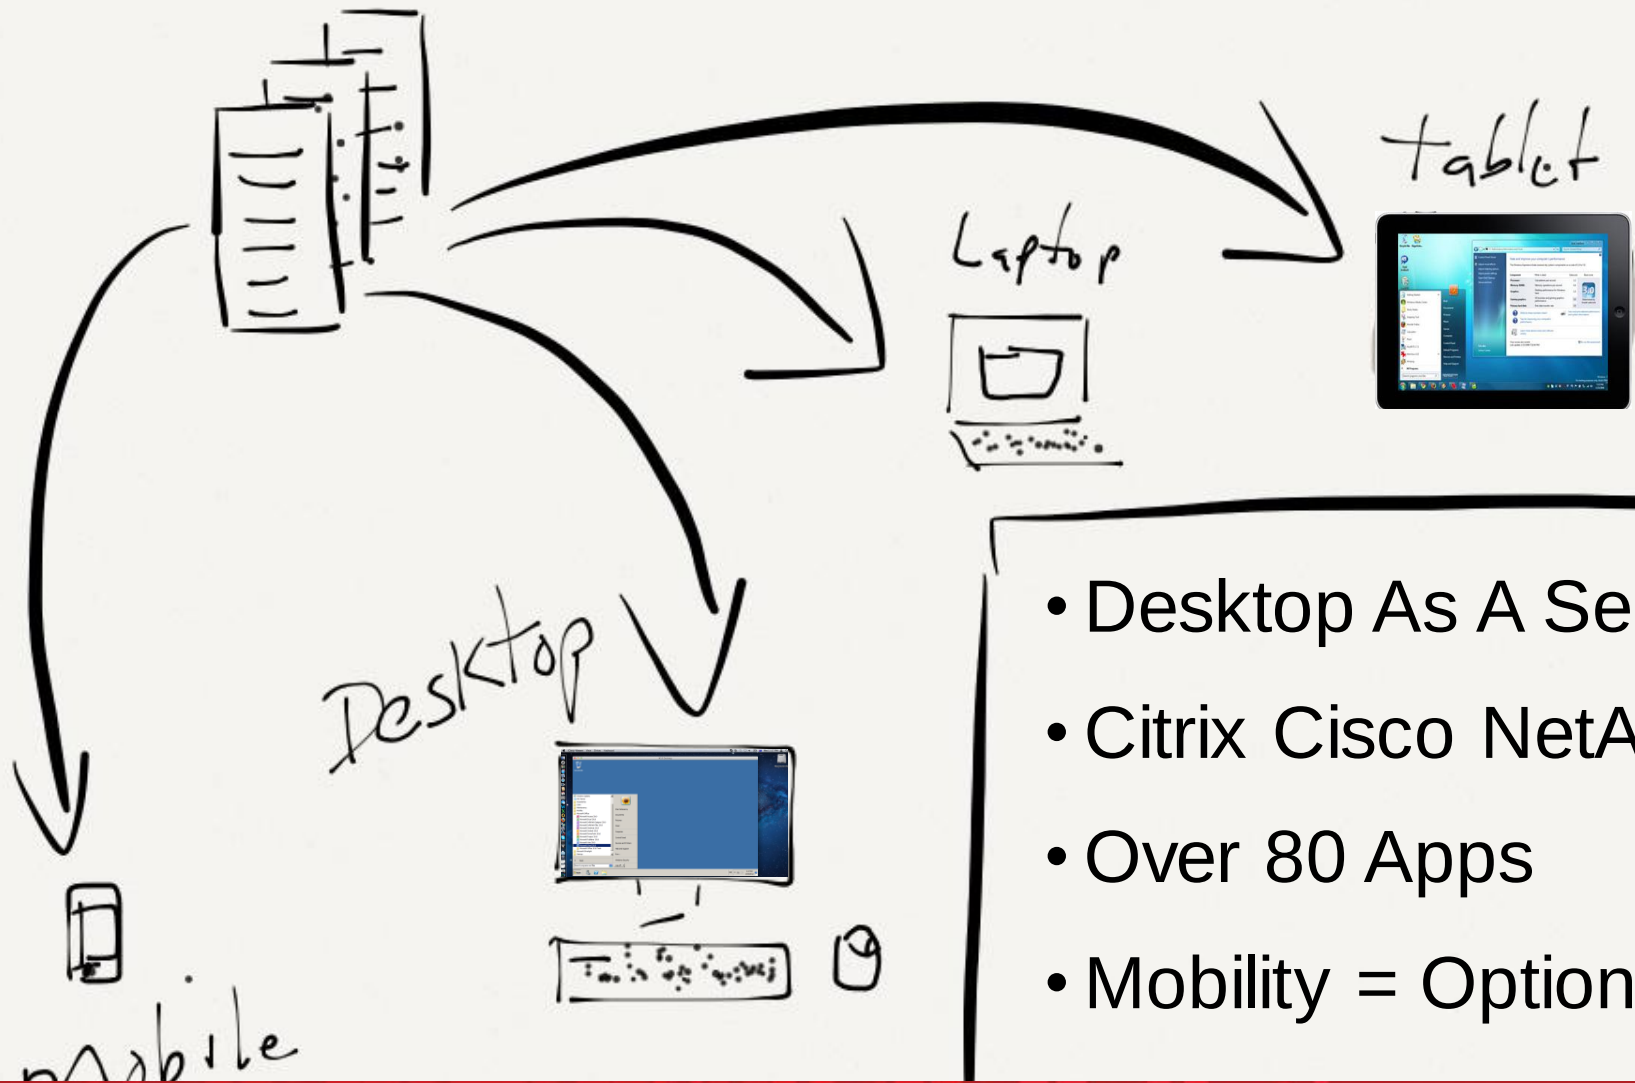

-Leonard Bernstein

Network

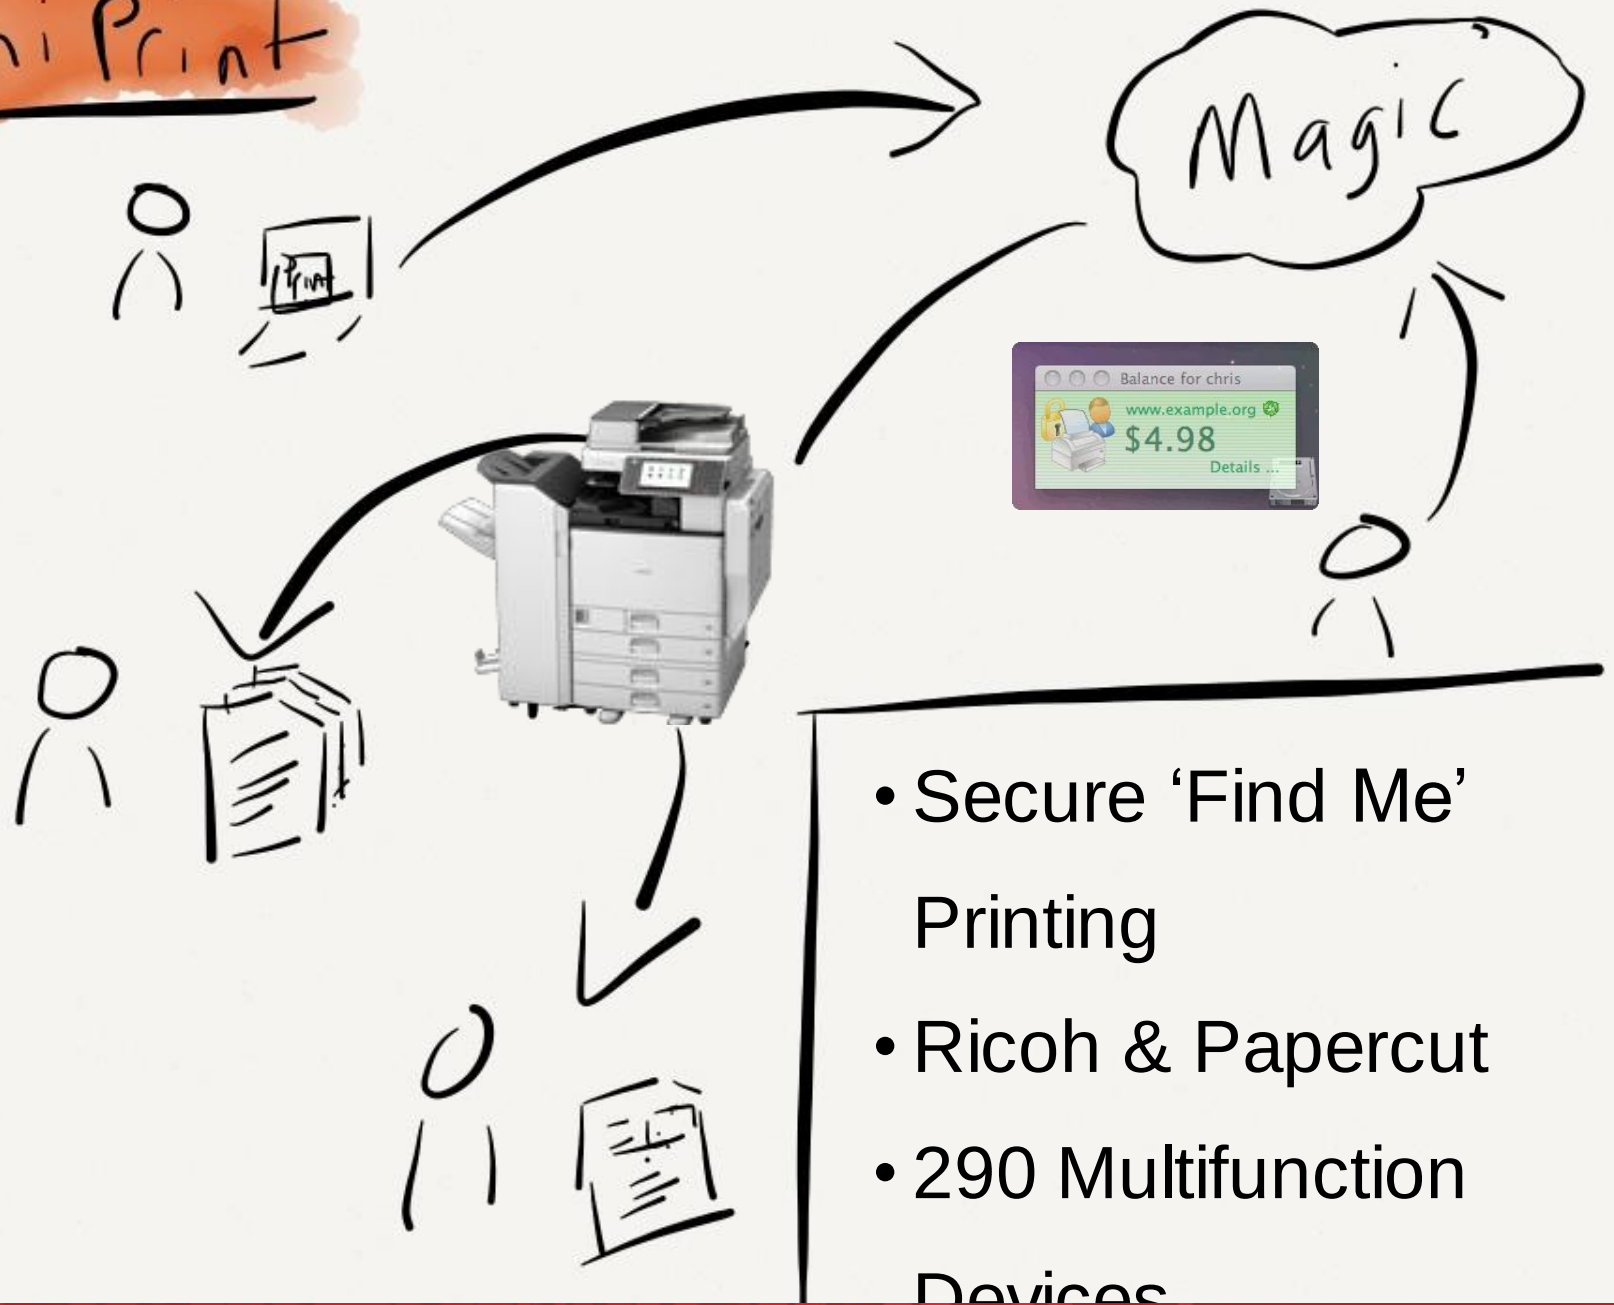

- Redesign and Upgrade Access Network
- HP High-Speed wired and wireless solution
- Cater for high-density
- Simplified network

VDI (my DESKTOP)

- Desktop As A Service
- Citrix Cisco NetApp
- Over 80 Apps
- Mobility = Options

UniPrint

"It gives us options to think outside the normal mindset we have had for many years." (Academic)

"The new technology has been thoroughly helpful and is very interactive, making for a better learning environment (especially when working in groups)." (Student)

"The IT support has been amazing. The level of support has enabled me to start changing how I teach already as I'm already confident with the new technology." (Teacher)

"The speed of Wi-Fi is spectacular and the ability to print and access our uni drives from our own devices is extremely convenient. Thank you for the service." (Student)
