The image shows a Google Maps interface with a search bar at the top containing "Rawlinna Heights, Ballajura, Western Australia, Australia". Below the search bar, the "Get directions" button is visible. On the left, the "My places" list shows two points: "A perth" and "B Rawlinna, Western Australia, Australia". The "GET DIRECTIONS" button is highlighted with a red circle. A red arrow points from this button to a message box that reads: "We could not calculate directions between Perth WA, Australia and Rawlinna WA, Australia." The map itself shows Western Australia and South Australia, with various reserves and parks labeled. The location of Perth is marked with a green pin 'A' and Rawlinna with a green pin 'B'.
